

Conference Line-Up:

Jesse Manibusan

Jesse has the special gift of being able to engage and reach out to any individual - either one on one at a confirmation retreat, or within a large group of teens at a youth rally, or with a crowd of 500,000 people at World Youth Day. It doesn't matter how small or large the audience is. This dynamic

performer will touch your soul and have you praising God with him.

Light the Fire Within You

Extinguished....

...Drained, Tired, Lost...There are many changes going on around us. There are changes in churches, our schools, our communities, but most importantly in ourselves. With so many things going on, sometimes we find ourselves stuck. We cannot move but only watch as things happen. But God calls us to be bold, to move forward and create a change in this world.

Paul said to young Timothy “...I remind you to stir into flame the gift of God that you have through the imposition of my hands. For God did not give us a spirit of cowardice but rather of power and love and self-control.”

Sometimes we forget that we're to be courageous. We forget that in addition to love, God has also given us each power. The same

power that was alive in Jesus is alive in us. The realization of the power God has put in use through His Son is a growing necessity within our Churches.

Light the Fire a day that will fill your heart with excitement and love for Jesus Christ through praise and worship, adoration, testimonies, humor, workshops, powerful speakers, food, Mass, fellowship, and most importantly, FUN!

We look forward to this rally as a time to awaken something new to our lives. It is time to feel that burning desire again to actively do good in the world. God is here and He is real.

If you missed out last year you won't want to miss this one!
